

# CHOOSING THE RIGHT PROTECTIVE PACKAGING

To help you figure out which range fits which occasion, we've developed a simple comparison chart as well as a rating system. Ultimately it's your choice how you send your wine and Champagne gifts, and we'd always recommend discussing your options with your courier in advance. We have products that meet every need and budget and the chart will help you decide just that.

	Re-Packing	Budget	Budget +	Mailsafe	Polysafe	Safe Air
 Cost	1	1 2	1 2 3	1 2 3 4	1 2 3 4 5	1 2 3 4 5
