

How to assemble a B12 Twelve Bottle Budget Transit Pack

Budget bottle transporting box holds up to 12 bottles with a maximum size of 90 x 330mm. This transit box is made from double walled BC fluted cardboard with double wall internal dividers. As part of our two star rating system our B12 transit box has been designed for use with specialist wine couriers. They can also be used for delivering in your own van or as cases for customers to carry out of the shop.
